

Ghosthunter One Pty Ltd – Licence Agreement for Professional Training Modules

Purchase of a Professional Training Module (each a “Module”) entitles the purchaser (“Licensee” which expression includes its employees, staff and contractors) a non-exclusive, non-transferable, in perpetuity licence from Ghosthunter One Pty Ltd (“Licensor”) to use the Module for the Purpose (as defined below) on the terms set out below.

“Purpose” means the provision of training and education by organisations, institutions and/or professional individuals

Under no circumstances may a Licensee share, assign, sub-licence or on-sell the Module (or any part of it) to any person or entity not directly employed or engaged by the Licensee, including other professional organisations or institutions, or persons. No changes to the Module (or any part of it) may be made by Licensee. The Licensee will provide technological and security measures to ensure that the Module is physically and electronically secure from unauthorised use or access. Licensee shall ensure that the Module (and any part of it) retains all Licensor copyright notices and other proprietary legends and all trademarks or service marks of Licensor. For the avoidance of doubt, all intellectual property rights over and in respect of the Module are owned by Licensor. The Licensee does not acquire any rights of ownership in the Module.

To the extent permitted by law, Licensor will in no way be liable to the Licensee or any third party for any loss or damage, however caused (including through negligence) which may be directly or indirectly suffered in connection with any use of the Module. Licensor will not be held liable by the Licensee in any way, for any loss, damage or injury suffered by the Licensee or by any other person related to any use of the Module or any part thereof.

The Licensee acknowledges that (a) the Module has not been prepared to meet any specific requirements of any party, including any requirements of Licensee; and (b) it is therefore the responsibility of the Licensee to ensure that the Module meets its own individual requirements. To the extent permitted by law, no express or implied warranty, term, condition or undertaking is given or assumed by Licensor, including any implied warranty of merchantability or fitness for a particular purpose.

The Licensee must indemnify, defend and hold harmless Licensor, its officers, employees and agents from and against any and all claims (including third party claims), demands, actions, suits, expenses (including attorney’s fees) and damages (including indirect or consequential loss) resulting in any way from (a) Licensee’s and Licensee’s employee’s use or reliance on the Module (b) any breach of these terms by the Licensee or any Licensee employee, and (c) any other act of Licensee.
